Cookie Policy

Cookies are used on our site to ensure that we give you the best experience on our website. If you continue without changing your settings, we will assume that you are happy to receive all cookies on our website.

Some cookies are essential so you can move around the website and use its features. Without these cookies, some services you have asked for cannot be provided. These cookies do not gather information about you that could be used for marketing or remembering where you've been on the internet.

What are cookies and how do they work?

Cookies are small bits of text that are downloaded to your computer or mobile device when you visit a website. Your browser sends these cookies back to the website every time you visit the site again, so it can recognise you and can then tailor what you see on the screen.

Some of the cookies we use

Certain cookies are necessary in order for you to use our websites. These are used 'in-session' each time you visit and then expire when you leave the site. They are not stored on your computer and they do not contain any personal data. However, you can delete them via your browser if you wish to, but this will restrict the functions that you're able to carry out on our sites.

Analytical: Analytical cookies may include both temporary and more persistent cookies that we use to track how you use our website and for how long. Analytical cookies do not divulge any
